Family Devotion #37

Beloved,

As we continue working through the book of Deuteronomy many rich personal studies come to mind. Below you will find two articles from GotQuestions.org

What is the human spirit?

What is the human soul?

Brothers and sisters in Christ, as you can see the above articles are thought provoking and they are full of Scripture. Please take these articles and use them as a launching pad to do a personal in-depth study to enrich your understanding of God's Word.

Blessings,

Pastor Gary
